NMC Recordings

Registered Charity No: 328052

Patrons: Alfred Brendel Hon KBE · Vladimir Jurowski · Lady Panufnik
Sir Simon Rattle CBE · Lord Stevenson of Coddenham
Dame Mitsuko Uchida · Executive Producer: Colin Matthews

Set up as a registered charity in 1989, NMC Recordings is devoted to promoting and preserving Britain's musical heritage. We do this by:

- ◆ Recording music by the best of today's classical composers to the highest standards
- ◆ Upholding the archive of contemporary classical music notably by maintaining an exceptional non-deletion policy
- ◆ Disseminating new music internationally through CD sales and digital downloads
- ◆ Championing composers through www.nmcrec.co.uk and dedicated PR
- ◆ Supporting young and emerging composing talent

'A vital means of cultural sharing and support ... and a vital part of the scene ... we all owe NMC a vast debt.'

Julian Anderson, composer

NMC boasts a catalogue of 170 recordings, featuring over 200 composers, representing a uniquely comprehensive cross-section of British contemporary music. We have been widely praised for the invaluable contribution we make in an area long neglected by traditional recording companies.

Colin Matthews
Executive Producer of NMC

'Without NMC, I and many other composers would undoubtedly struggle to find such a level of support and commitment in a recording industry increasingly preoccupied with celebrity and quick profit ... I shall be eternally grateful, both as composer and listener, for NMC's unique commitment to new British music.'

Stuart MacRae, composer

Our blue sheep first appeared in 1996 on a sampler CD cover that showed a field of white sheep facing one way and a solitary blue sheep facing the other. We felt it represented the musical independence of NMC, the individuality of our composers, and the adventurous tastes of our supporters and so it has been our logo ever since.

Our Invaluable Friends

With reductions in public funding and our Holst Foundation support coming to an end in 2015 we increasingly rely on our Friends' generous investment to help secure NMC's future as a significant cultural force in British contemporary music.

'NMC stands tall and proud in a cluttered audio marketplace. Artistic vision, the highest of production values and an unabashed commitment to living British composers set the label apart. I am proud to be contributing to the future of NMC as a friend and feel privileged to be part of NMC's success.' Martyn Brabbins, conductor and NMC Friend

Please join us in helping to record new music and secure NMC's crucial contribution for future generations of composers and listeners.
